# A Project C.U.R.E. Tradition 22 Years in the Making

The Health and Hope Pre-Tournament Gala Kicks off the 22nd Anniversary Project C.U.R.E. & Newmont Golf Tournament at the Sanctuary! Thanks to our incredible partners, this event has allowed Project C.U.R.E. to deliver medical supplies and equipment valued at nearly \$100 million.

The tournament takes place on Colorado's exclusive, privately-owned Sanctuary Golf Course south of Denver off Castle Pines Parkway. This is an opportunity to provide disaster relief and medical aid worldwide in times of crisis for people facing earthquakes, cyclones, hurricanes, war, violence and other disasters from Türkiye and Syria to Morocco, Malawi and Mexico.

The day begins with breakfast, includes all on-course amenities, and concludes in the clubhouse with cocktails and dinner, a live auction, and tournament awards.

Together, we will make the 22nd anniversary of this tournament the best one yet!

## About Project C.U.R.E.

Project C.U.R.E. was founded in 1987 to address the staggering shortage of medical resources around the world. Since our humble beginnings in a garage in Colorado, Project C.U.R.E. has become the world's largest distributor of donated medical supplies, equipment, and services to doctors and nurses serving the sick and dying in more than 138 countries.

Each week, Project C.U.R.E. delivers approximately three to five semi-truck-sized ocean containers packed with the medical equipment and supplies desperately needed to save lives in hospitals and clinics in resource-limited countries. In addition, each year hundreds of healthcare professionals travel with Project C.U.R.E. to provide medical treatment to communities in need and training to those dedicated to serving them. Project C.U.R.E. is supported by over 30,000 volunteers annually and operates distribution warehouses in seven U.S. cities.
