When: Tuesday, August 7, 2018 | 6:00 – 10:00 p.m.

Where: Bound'ry, 911, 20th Ave. South, Nashville

What: Project C.U.R.E. Nashville is hosting their inaugural fundraising event – **C.U.R.E. Country** to raise funds to send containers of life-saving medical supplies and equipment to resource-limited countries.

Expected Attendance: 150 people

Why: Project C.U.R.E. is the world's largest distributor of medical donations to developing countries. Project C.U.R.E. collects donations of excess medical supplies and previous-generation equipment from U.S. hospitals and medical manufacturers. Working with hundreds of partners globally, Project C.U.R.E. matches these valuable donations with healthcare facilities in severely resource-limited communities to empower doctors and nurses with the tools they need to treat disease, deliver vaccines, perform life-changing surgeries and ensure safe childbirth. Thanks to the dedication of thousands of volunteers nationwide, Project C.U.R.E. has touched the lives of patients, families, and children in more than 130 countries.
